

SUBJECT: Approved Anti-doping contributions 2017 - 2022

The organisers contribution to the Anti-doping fund is calculated as an amount per competition day times the number of competition days. For example, WOC 2017 has 5 competition days (Sprint, Middle, Long, Sprint Relay and Relay) and the total contribution from the WOC 2017 organiser is therefore 5000 EUR.

For 2017-2022 the following are approved:
