### Thursday 12 August

- 09.00-13.00 Terrain visit (possibly with a short in-door introduction).  
The main theme will be the use for laser scanning data for orienteering basemaps. Material (LAS data, orienteering map, WOC basemap, test products, ...) for the terrain visit is at: <URL: <http://arken.umb.no/~havatv/o/trondheim2010/>> - please prepare material that you want to use for the terrain visit yourself.

The terrain visit is in cooperation with the Open Nordic map meeting (in-door session on Friday).

WOC programme Thursday: Long Distance Final: From 13.00, Granåsen.

Please mail to [f.Hjorth@c.dk](mailto:f.Hjorth@c.dk) in advance for calculating the amount of participants.  
The programme is subject to alteration.

Lunch Thursday

At location baguettes and different things to drink will be available, but we have to order in advance, so please send me an email.

ICOM entry fee (lunch not included): 15 Euro – pay at location – in euro or Nkr.

See you at the Nyborg School – Trondheim, Norway.
