The **Competition Rules for IOF Foot Orienteering Events** (valid from 1<sup>st</sup> January 2017, as published on the IOF website [www.orienteeering.org](http://www.orienteeering.org)) apply to all competitions.

In competitions 1, 2, 7, 8, 9 and 10, competition rule 9.10 does not apply: replacement of runners will not be possible after 12 noon on the day before the competition. Also, since participation in competition 3 is based on performances in competitions 1 and 2, replacement of competitors in competition 3 will not be possible after the commencement of competition 1.

In case of a tie for the final qualification place in any of the competitions, all tied runners qualify, thus increasing the number of competitors in the relevant Final. Where necessary, lots are drawn to resolve ties for the purpose of deciding starting order. If the starting order is based on ranking or World Cup points and some competitors have no points, those competitors are ordered randomly and start before those with points.

In competitions 1, 2, 3, 7, 8, 9 and 10, competition rules 12.7 and 12.10 (separating runners from the same Federation) do **not** apply.

## **Competitions 1, 2 and 3 (World Cup Round 1, Finland)**

**Competition 1 (25 May):** Sprint competition with a single qualification race, and a final in which the 40 best placed athletes in the qualification race start. The start order in the qualification race is determined strictly by the standing of the IOF Sprint World Rankings as published on 23<sup>rd</sup> May 2017\* (leader starts last). The start order for the Sprint Final is strictly the reverse of the placings in the Sprint qualification race; the best competitors shall start last as described in rule 12.9.

**Competition 2 (27 May):** Middle distance competition. The start order is determined strictly by the standing of the IOF Middle/Long Distance World Rankings as published on 25<sup>th</sup> May 2017\* (leader starts last). The start interval shall be 2 minutes unless more than 70 entries are received, in which case it shall be 90 seconds.

**Competition 3 (28 May):** Long distance, chase start. The starting times for the chase start shall be based on the sum of each competitor's time in the qualification race of competition 1 and their time in competition 2, minus bonus seconds (where applicable). Bonus seconds shall be awarded to the 10 leading competitors in the final of competition 1, with 120 bonus seconds for 1<sup>st</sup>, 90 seconds for 2<sup>nd</sup>, 60 seconds for 3<sup>rd</sup>, 45 seconds for

4<sup>th</sup>, 30 seconds for 5<sup>th</sup>, and 25-20-15-10-5 seconds for 6<sup>th</sup>-10<sup>th</sup>. The result for competition 3 is the order in which athletes cross the finish line (except for athletes that started in the mass start). There will be a mass start 20 minutes after the leader for all athletes 20 minutes or more (including bonus seconds) behind the leader after competitions 1 and 2. Results for competitors in the mass start will be determined by their total time over competitions 1 (qualification race), 2 and 3. Competitors will only be permitted to start if they have a result in both the qualification race of competition 1, and competition 2.

### **Competitions 4, 5 and 6; World Orienteering Championships (Estonia)**

WOC rules apply.

### **Competitions 7 and 8 (World Cup Round 2, Latvia)**

**Competition 7 (25<sup>th</sup> Aug):** Middle distance competition. The start order is determined strictly by the standing of the IOF Middle/Long Distance World Rankings as published on 23<sup>rd</sup> August 2017\* (leader starts last). The start interval shall be 2 minutes unless more than 70 entries are received, in which case it shall be 90 seconds.

**Competition 8 (27<sup>th</sup> Aug):** Sprint competition with a qualification and final. The qualification shall consist of three heats, drawn according to the provisions of rule 12.8 (in particular, that as far as possible, the heats shall be equally strong and that athletes from any one country should be distributed as equally as possible between the heats), except that two competitors from the same country may start consecutively in the same heat. The starting order in each qualification race is determined strictly by the standing of the IOF Sprint World Rankings as published on 25<sup>th</sup> August 2017\* (leader starts last) with a start interval of 1 minute. The leading 15 athletes from each heat qualify for the A final and the remaining competitors qualify for the B final, with the starting sequence in each final as determined by rule 12.9.

### **Competitions 9 and 10 World Cup Final (Switzerland)**

**Competition 9 (29<sup>th</sup> Sep):** Long distance competition. The start interval shall be 3 minutes unless more than 70 entries are received, in which case it shall be 2 minutes. The start order is determined strictly by the order of the Middle/Long Distance World Ranking as of 27<sup>th</sup> September 2017\* (highest ranked competitors start last).

**Competition 10 (30<sup>th</sup> Sep):** Middle distance competition with a 2 minute start interval (regardless of the number of entries). The start order is determined strictly by the order of the World Cup after Competition 9.

### **World Cup standings are defined as**

After competitions 1 to 5 the sum of all scores up to and including that stage.

After competitions 6 to 8 the sum of the best n-1 scores (where n is the number of competitions so far) up to and including that stage.

After competition 9 the sum of the best 7 scores out of the first 8 competitions plus the score from competition 9.

After competition 10 the sum of the best 7 scores out of the first 8 competitions plus the scores from competitions 9 and 10.

In the event of two or more competitors having the same number of points after competition 10, they shall be ranked in order of their placing in competition 10. Any competitors who are still equal shall be ranked in order of their highest placing during the season, and, if still equal, the number of occasions on which they achieved that placing.

In the event of a competition being cancelled or voided for any reason, the number of scores to count will be reduced by one.

## **National quotas for competitions 1, 2, 3, 7, 8, 9 and 10**

The national quotas for competitions 1, 2, 3, 7, 8, 9 and 10 are based on the total points of the leading 10 athletes from each Federation in the IOF World Federation League tables (combined Sprint/Middle/Long) as published on 1<sup>st</sup> January 2017. Separate quotas will apply for men and women.

The allocations for competitions 1, 2, 3, 7, 8, 9 and 10 will be:

- The top 6 nations get 8 places.
- All other nations get 6 places.

A Federation may enter any runner irrespective of his/her position in the IOF World Rankings lists. Competitors entered for competition 3 must also be entered for competitions 1 and 2.

All 2016 individual World Champions shall be offered a wild card place in competitions 1, 2 and 3 provided they are selected by their Federation. All 2017 individual World Champions, provided they are selected by their Federations, shall be offered a wild card place in competitions 7, 8, 9 and 10. These wild card places shall be additional to the national quotas.
