

Invitation to the meeting
Technology in Orienteering

20th July 2012, Lausanne, Switzerland

We are pleased to invite everyone interested to the Technology in Orienteering open meeting to be organised in conjunction with the World Orienteering Championships 2012 in Lausanne, Switzerland. The meeting will take place on Friday 20 July 2012 between 5-7 pm at the official WOC hotel Alpha Palmiers.

The Technology in Orienteering meeting will include presentations and discussions related to topics such as time keeping, GPS, analysis, hardware and software. Selected presenters will introduce useful products and solutions after which the audience will have a possibility for brief questions. The more detailed time schedule will be presented closer to the meeting.

We hope to see you in Lausanne!
