

Erik Rost is looking forward to ESOC

The Swedish ski orienteer Erik Rost took five of five possible victories in the Ski Orienteering World Cup round 2 in Germany recently. Winning the overall World Cup is his main goal this season and all races in ESOC are important in the World Cup. "I am really looking forward to the championships", Erik Rost says.

The young Italian ski orienteer

Stefania Carradini is from the little village Castello di Fiemme in famous Val di Fiemme valley and she is daughter of Nicolò Corradini, who has incredible results in ski orienteering. "Since I was a child, I never felt any expectation or pressure from my family. My parents always let us choose which sport to do", she says.

Brian Porteus: "A historical step"

As I write these words I am in Tula in Russia at the first ever FISU World University Ski Orienteering Championships - a historical step for Ski orienteering. The IOF has a very strong partnership with FISU and of course, orienteering is a popular sport with students in the summer and the winter.

Patrik Söderqvist: "A great potential in our sport"

Patrik Söderqvist was recently hired as a Marketing Manager at the IOF Office:

- There is a great potential in our sport. The values that orienteering stands for mean that we have great possibilities to both increase the visibility of the sport and create new partnerships with companies and organisations.
