Where a country has more runners than its quota of N, only the best N runners count.  
 (In 2012-13 this only affects countries where the World Champion has a personal place; from 2014 onwards it will affect regional champions, hosts and newly relegated teams)  
 Only the best N-1 runners count from 2017 (or best runner for division 3 countries), and the best N runners from 2018.
